Diversity, Equity, & Inclusion at W. P. Carey

At W. P. Carey, we say that “business is personal.” Each student, each faculty member, each employee matters, intrinsically, as a human being. Yet we also must recognize times where we as a community have fallen short of that ideal, and how historical prejudice and systemic racism have pushed members of our school to the margins.

We are committed to doing better, and unequivocally state our support of Black lives, Native communities, immigrants, members of the LGBTQIA+ community, people with disabilities, and others who live at the intersections. You are welcome at W. P. Carey, and this is what you can expect from us.

Commitments to diversity, equity and inclusion

● We embrace open access to education and opportunity for all students as being central to our mission.
We believe that diversity is a necessary part of excellence, and reject any false opposition of diversity and merit.

We support robust and respectful discussion of the most pressing issues in society from the wide variety of perspectives in our community.

We respect, listen to, and center the voices of marginalized groups, and recognize that the impacts of our actions matter more than the intention.

We are unequivocal in our support of underrepresented and historically marginalized groups, and will not tolerate discrimination or hate.

Diversity, equity, and inclusion (DEI) initiatives

The initiatives below are a partial list of the many DEI activities being pursued and considered at W. P. Carey.

Diversity, Equity, and Inclusion Committee - formed in response to ongoing police violence against Black Americans, the DEI committee is now a permanent part of W. P. Carey; the group directs all DEI initiatives at W. P. Carey and serves as an advisory board to school leadership.

College Data Committee - this group is charged with compiling and distributing relevant DEI data for W. P. Carey; this includes diversity metrics, surveys, and benchmarking.

Inclusive Teaching & Learning Committee - a combination of faculty, staff, and student committee members working to integrate DEI principles into W. P. Carey curriculum and classrooms.

DEI training for faculty and staff- SafeZONE and Microaggression training for staff to understand bias and create a more inclusive, allied, and safe environment; “To be Welcoming” training, in partnership with ASU and Starbucks, suggested for all staff; also exploring future mandatory training options for employees and students.

Diversifying purchasing - In concert with ASU purchasing and community groups, we are taking an intentional look at diversifying W. P. Carey purchases, including food, supplies, and services.

Inclusive onboarding - Human Resources is creating a booklet for new employees that includes employee resource groups and culturally relevant services, such as Black salons, doctors, and more.

Diversifying recruiting - Human Resources and student recruiting functions are in the early stages of identifying more inclusive recruitment practices, including expanded recruitment from HBCUs, continued involvement in the PhD Project, and more.

Expanded access to mentors - using the existing W. P. Carey mentorship program as a starting point, expand the number of qualified minority mentors for the undergraduate, graduate, and Executive Connections program.
W. P. Carey is also actively involved with the larger ASU community’s commitment to support Black students, faculty, and staff. Read more about university-led efforts.

Land Acknowledgement
The W. P. Carey School of Business acknowledges the 22 Tribal Nations that have inhabited this land for centuries. Arizona State University’s four campuses are located in the Salt River Valley on ancestral homelands of many Indigenous peoples, including the Akimel O’odham (Pima) and Pee Posh (Maricopa), whose care and keeping of these lands allows us to be here today and provides a guide for our relationship with these lands in the future. W. P. Carey acknowledges the sovereignty of these tribal nations and seeks to foster an environment of success and possibility for American Indian students, and to work alongside Indigenous people in business practices and knowledges that support Native experiences and prosperity.

PROGRAM OVERVIEW

All MBA platforms within W. P. Carey School of Business are now S.T.E.M designated.

The purpose of the W. P. Carey School of Business MBA program is to provide a solid foundation and knowledge base in the core business disciplines and to develop analytic capabilities, decision-making and leadership skill sets essential to making sound business decisions. Through a comprehensive business curriculum taught by world-renowned faculty, the W. P. Carey Fast-Track Master of Business Administration is designed to build on a student’s previously earned master’s degree in a business field. The Fast-track MBA sharpens analytical capabilities and decision-making, and unlocks your leadership skills.

The Fast-Track Master of Business Administration is designed for working professionals seeking to continue working full time while attending school. To qualify for the Fast-track MBA program, you must have completed a previous Masters degree in a specialized business discipline. Depending on the incoming discipline, students could earn an MBA in 12-18 months. Classes are held two evenings a week and students will experience a case-based, team-oriented, and discussion learning environment. Fast-track students have the option of taking each course as “iCourse” (online) if they choose to do so,
making the program more convenient and flexible.

The Master of Business Administration program is supported by each of the eight academic units within the W. P. Carey School of Business.

PROGRAM CURRICULUM

The Fast-Track MBA program requires 30 credits to degree completion. The curriculum required will depend on the discipline you are bringing into the program. The list of courses below are the foundation to the W. P. Carey MBA programs. A student’s previous graduate program experience will determine which of the courses from the below list will make up the 30 required credits for degree completion.

W. P. CAREY SCHOOL OF BUSINESS GRADUATE STUDENT CONDUCT AND PROFESSIONALISM POLICY
https://gradstudents.wpcarey.asu.edu/student-resources/professionalism-policy

We, the students of the W.P. Carey Master’s programs, are committed to maintaining the highest levels of honesty, integrity, and professional courtesy for ourselves and amongst our classmates. We believe that ethical behavior is not only the cornerstone of a good academic
program, but of good business as well. As such, we are steadfast in our commitment to the following principles:

- **Academic Integrity** — We view the W. P. Carey Academic Integrity Policy as a living, breathing document, not just concepts on a page. As such, we are resolute in ensuring that we abide by the principles contained within, both in letter and in spirit. Furthermore, we will hold our classmates to the same high standards to which we hold ourselves.

- **Consideration of Others** — As W. P. Carey students, we believe that we should treat others as we wish to be treated. To this end, we will be considerate of classmates, professors, and recruiters in all aspects. Furthermore, we will constructively add to the collaborative environment by helping and encouraging others.

- **Professionalism** — As W. P. Carey students, we believe that the behaviors we practice today will become a habit in the future. To that end, we are committed to act in a professional manner in all school settings, including classes, networking events, and interviews. We will be cognizant of the fact that we are representing the program and our classmates at all times.

### Professionalism Policy

Professionalism, broadly speaking, includes ethical decision-making, consideration of others, and demonstration of personal accountability. Exhibiting professional behavior is integral to a positive learning environment within the university and promotes innovation, openness to diversity, integrity, and mutual respect for students, faculty, and staff.

W. P. Carey students are expected to treat others as they wish to be treated. Students will be considerate of classmates, professors, staff and recruiters in all aspects and commit to acting in a professional manner in all school settings, including classes, sponsored events, and interviews.

### Communication

All communication, whether oral or written, should be in a professional tone and format. In your courses your instructor should set forth procedures for communication including posted office hours, making appointments, and providing contact information.

Examples of behaviors expected when participating in activities associated with W. P. Carey School of Business:

- Communicate clearly, promptly and in a respectful manner with students, staff, colleagues, instructors, and the public.
- Participate in verbal and written interactions in an equitable and respectful manner.
- Maintain professionalism in interpersonal relationships, manner, appearance, hygiene and communication (including electronic communication).
- Accept feedback and make good faith attempts to improve performance based on feedback.
Examples of behaviors that do not meet this standard:

- Consistently interrupt, show disrespect toward, ignore or belittle people.
- Use or display inappropriate language (profanity, obscenities, hate speech) with students, faculty, staff, and/or other professionals.
- Consistently make disruptive, rude, argumentative, confrontational or intimidating comments in a classroom or professional setting.

Classroom

The classroom (in-person or online) should be an environment that fosters learning and sharing ideas. This type of environment works best when students arrive to class on time, prepared, and with an open mind. It is vital to the learning process that each student demonstrates respect for the instructor, classmates, and course content.

Examples of behaviors expected when participating in activities associated with W. P. Carey School of Business:

- Address, with the appropriate faculty member or administrator, any instance in which there is a suspicion or knowledge of an academic integrity violation or professional misconduct by a student or faculty member.
- Unless it is appropriate for the class activity, silence all electronic devices when you enter the classroom.
- Respect your professors, teaching assistants, and peers by refraining from disruptive behavior such as engaging in non-classroom related activities during class time.

Examples of behaviors that do not meet this standard:

- Fail to complete or follow through on projects and/or commitments on time and by deadlines.
- Consistently disparage professional development activities or academic learning.
- Disruptive or inappropriate behavior, including consistent absence or excessive tardies to class(es) without an excusable reason.

Co-curricular

Co-curricular conduct — behavior beyond the classroom — including appearance, behavior, and online presence has far reaching effects. Faculty, employers, recruiters, and future professional peers may form positive or negative perceptions based on what they see or hear. W. P. Carey students should conduct themselves as professionals with integrity in the classroom, in the workplace, and in associated activities.

Examples of behaviors expected when participating in activities associated with W. P. Carey School of Business:
• Act as a responsible group member: attend meetings and contribute equitably to
discussions, workload, and presentations.
• Demonstrate respect and care for University property.
• Honor appointments with faculty, staff, advisors, recruiters, and employers.
• Understand that employers may search social media sites when making hiring decisions.

Examples of behaviors that do not meet this standard:
• Violation of school, university, or workplace policies, or the law.
• Fail to honor commitments to attend events, which includes arriving on time and
dressing appropriately.
• Dress in attire that could be considered inappropriate for the event, classroom, or
workplace.
• Misuse electronic media, using threatening or self-destructive behaviors.
• Disruptive or inappropriate behavior during experiential learning opportunities, such as
conferences, field studies, international travel, etc.

Technology

Use of personal or public desktops, tablets, laptops, cell phones and other electronic devices
while engaging in university business should be conducted in a respectful and professional
manner.

Examples of behaviors expected when participating in activities associated with W. P. Carey
School of Business:
• Be mindful of using technology in academic and non-academic settings (meetings,
internships, at the workplace, and/or University sponsored events).
• Respect public workstations during use. Ensure space is clean and operable for future
use and report faulty equipment to appropriate staff.

Examples of behaviors that do not meet this standard:
• Use of devices that are distracting, and/or impede safe movement of others through
classroom and non-classroom spaces (use of cords, wall plugs, etc.).
• Inappropriate use of university equipment for personal use or gain.

If a student is reported as violating the Professionalism Policy, the Associate Dean will evaluate
the information to determine an appropriate course of action to gather the facts. A student
alleged to have violated the Professionalism Policy will be provided notice of alleged misconduct
and provided with an opportunity to respond.

If the student is found to be in violation of the Professionalism Policy, the Associate Dean, in
conjunction with the faculty director of the academic program, will determine the disciplinary
action. For violations that are determined to be moderate in severity, remediation could include
being put on academic probation combined with mandatory follow-up meetings. For more
severe violations or repeat behavior, consequences may be a recommendation for dismissal from the academic program.

Any violation of the ASU Student Code of Conduct will be reported to the Office of Student Rights and Responsibilities.

2022-2023 Master of Business Administration Academic Policies

The academic records of graduate students are reviewed at the completion of each course to ensure that satisfactory progress and minimum standards are being met. Students must complete required courses in the order specified for the Master of Business Administration (MBA) degree. It is each student’s responsibility to understand how this policy may impact his/her ability to complete the MBA degree. W. P. Carey School of Business Graduate Programs reserves the right to enforce the academic policies outlined below.

DEGREE REQUIREMENTS SUMMARY: To be eligible for a degree from the Graduate College, master’s degree students must maintain Satisfactory Academic Progress and achieve the benchmarks and requirements set by the individual degree programs as well as the Graduate College. These, as well as all other Graduate College policies, can be found in the ASU Graduate Policies and Procedures.

Satisfactory Academic Progress

1. Maintain a minimum 3.00 for all GPAs.
   - The iPOS GPA is calculated on all courses that appear on the student’s approved iPOS (with the exception of LAW and Transfer credits). This includes courses taken as an undergraduate student that are added to an iPOS for an Accelerated Master’s.
   - Cumulative ASU GPA represents all courses completed at ASU during the graduate career. This includes graduate and undergraduate courses taken as a non-degree seeking graduate student and any courses taken at ASU after conferral of a bachelor’s degree.
   - The Overall Graduate GPA is based on all courses numbered 500 or higher that appear on the transcript after admission to a graduate program or graduate non-degree. This includes shared coursework if in an approved accelerated bachelor’s/master’s program.
   - Courses with grades of “D” (1.00) and “E” (0.00) cannot appear on the iPOS but will be included when calculating the Graduate GPA. Courses with an “I” grade cannot appear on the iPOS.
2. Satisfy all requirements of the graduate degree program.
3. Satisfy the maximum time limit for graduation from the student’s graduate degree program. A student has six years for masters; for doctoral, five years or ten years from comprehensive exams (whichever comes first).
5. Successfully complete the culminating experience (capstone/thesis equivalency course, MGT 589) with a grade of B (3.00) or higher.
6. Graduate students must remain continuously enrolled in their degree program. Failing to do so without a Graduate College approved Leave of Absence is considered to be a lack of academic progress and could result in discontinuation from the program.

A student who fails to make satisfactory progress in pursuit of the MBA degree will be provided notice from the W. P. Carey Graduate Programs Office, Program Operations department as soon as the applicable grade(s) have been identified.

**COURSE COMPLETION REQUIREMENT:** Students who wish to withdraw from the MBA core curriculum should contact his/her Program Operations coordinator to discuss options, policies, and processes.

   a) MBA programs are lock-step programs where core courses must be completed as scheduled. A student who withdraws from an MBA core course will not be permitted to continue coursework as scheduled.
   b) Upon receipt of an Incomplete (grade of an "I") in any course, a student must submit to his/her Program Operations coordinator a written plan, mutually agreed upon with the instructor and approved by the faculty director. The coursework must be completed prior to the start of the next term.
   c) Due to the lockstep nature of the MBA, failure to complete the course as outlined in the agreement may result in a recommendation for discontinuation or dismissal.

**PROBATION:** A W. P. Carey MBA student shall be placed on probation when he/she:

   a) receives a “C+” (2.33) or “C” (2.00) in any course applicable to MBA degree requirements (courses and GPAs) and/or
   b) achieves a Cumulative ASU GPA or ASU Graduate GPA or Plan of Study (POS) grade point average (GPA) below 3.00, and/or
   C) has a significant or repeated violation of the W. P. Carey School of Business Graduate Conduct and Professionalism Policy, ASU Academic Integrity, or Student Code of Conduct.

A student on probation must work with his/her Program Operations coordinator to understand the conditions and timeframes for making satisfactory academic progress in his/her degree program. A student on probation is allowed to complete coursework to bring his/her grades to an acceptable level (3.0 or above) by the end of the program.

**DISCONTINUATION:** A student shall be discontinued from the MBA program when he/she receives:

   ● a “D” (1.00) or “E” (0.00) in any course applicable to MBA degree requirements (courses and GPAs) while not on probation, or
   ● a grade below “B” (3.00) on the thesis equivalency course, or
   ● an “I” grade and fails to complete coursework as outlined in the agreement.

A student who is discontinued must either enroll in MGT 595 Continuing Registration or have an approved leave of absence. A student must then resume his/her program as agreed and will be placed on probation upon return.
Students who fail to maintain continuous enrollment must be readmitted to the program under the degree requirements and policies in effect at the time of the new admission date.

DISMISSAL: A student shall be recommended for dismissal from the MBA program and will not be permitted to continue course work when he/she:

a) is on academic probation and receives a third “C+” (2.33) or “C” (2.00) in any core course applicable to MBA degree requirements (courses and GPAs), and/or
b) is on academic probation and receives a “D” (1.00) or “E” (0.00) in any course applicable to MBA degree requirements (courses and GPAs), and/or
c) is on academic probation and receives a grade below “B” (3.00) in the thesis equivalency course, and/or
d) returns from discontinuation and receives a grade below “B-” (2.67) in any course applicable to MBA degree requirements (courses and GPAs), and/or
e) has significant or repeated violation of the W. P. Carey School of Business Graduate Conduct and Professionalism Policy, ASU Academic Integrity, or Student Code of Conduct.

GRADE APPEAL POLICY: Student academic grievance procedures in the W. P. Carey School of Business normally consider matters where the relief sought is a change of a final grade. Formal grievance petitions must be submitted no later than ten business days after the start of the next academic term; the process and decision on the grade grievance will be completed by the end of that term. Unless dismissed, a student may continue coursework during the appeal process.

Grounds for a grade appeal:

- Error in calculating the final grade for the course (e.g. arithmetic error)
- The criteria for determining the final grade were changed from what was specified in the syllabus (e.g. 4 quizzes were given instead of 5 or weights of assignments were changed)
- The evaluation system was not consistently and fairly applied to all students (e.g. Student A and Student B reported the same answer but had different scores for the assessment item)

Grievance procedure:

- Student discusses grievance with course instructor
- If a resolution cannot be reached with the instructor, student discusses grievance with their program’s Faculty Director and/or Department Chair and the Associate Dean for Graduate Programs
- Student submits a grade appeal with the Office of Academic Affairs (Dean's Delegate) if a resolution cannot be reached with the Faculty Director, student should make an appointment to see the W. P. Carey Academic Integrity Officer. At the meeting, the student’s dispute will be heard again, and if it still cannot be resolved satisfactorily, a formal committee can be called to review the complaint. If the Office of Academic Affairs determines no hearing is needed, the decision is final and may not be appealed.
- If the Office of Academic Affairs determines a formal hearing is warranted, the grievance will be reviewed by the W. P. Carey Standards Committee who will then
make a recommendation to the Dean. All decisions are final and may not be appealed.

ACADEMIC INTEGRITY REQUIREMENT: A student who engages in academic misconduct while attending a W. P. Carey graduate program will receive strict penalties as outlined in ASU’s academic integrity policy. Those penalties ordinarily will range from a letter reduction in final course grade to expulsion from the program and School of Business. The penalty will be decided by the course faculty member and the Office of Academic Affairs. All allegations of academic misconduct must be reported to program administrators. Any subsequent act of academic misconduct, regardless of severity, will result in dismissal from the program and the School of Business.

The ASU student academic integrity policy lists violations in detail. These violations fall into five broad areas that include but are not limited to:

1. Cheating on an academic evaluation or assignment
2. Plagiarizing
3. Academic deceit, such as fabricating data or information
4. Aiding academic integrity policy violations and inappropriately collaborating
5. Falsifying academic records

TUITION REFUND POLICIES:

- ASU Tuition Refund Policy
- W. P. Carey Program Tuition Refund Policy

GRADUATE COLLEGE POLICIES:
https://graduate.asu.edu/current-students/policies-forms-and-deadlines/policy-manuals

DEFINITIONS AND SPECIFIC ASU POLICIES:

Probation: An official warning that a student is not progressing academically as required by the program/university. A student on probation is allowed to continue coursework.

Discontinuation: Requires a student to take time off from the program based on academic performance. The student will restart the program according to the discontinuation agreement between the student and the Sr. Associate Dean. Upon return to his/her program, the student will be placed on academic probation.

Dismissal: A student who is dismissed is no longer matriculated and will not be allowed to continue coursework. To be subject to dismissal, a student must first be placed on academic probation.

Continuous Enrollment: Once admitted to a graduate degree program or graduate certificate program, students must maintain continuous enrollment and be registered for a minimum of one credit hour during all phases of their graduate education, including the terms in which they are admitted and graduate. Failing to do so without a Graduate College approved Leave of Absence is considered to be a lack of academic progress.
**Leave of Absence:** Graduate students planning to discontinue registration for a semester or more must submit a Leave of Absence request via their Interactive Plan of Study (iPOS). This request must be submitted and approved before the anticipated semester of non-registration. Students may request a maximum of two semesters of leave during their entire program. A student with a Graduate College approved Leave of Absence is not required to pay tuition and/or fees, but in turn, is not permitted to place any demands on university faculty or use any university resources. These resources include university libraries, laboratories, recreation facilities or faculty time. Having an approved Leave of Absence by the Graduate College will enable students to re-enter their program without re-applying to the university.

**Plan of Study:** Courses needed to meet the graduate degree requirements, composed of core and elective courses. Students are advised to consult with a Program Operations coordinator regarding their plan of study.

**Thesis Equivalency Course:** MGT 589 Strategic Management is the thesis equivalent course for the MBA degree. Students must receive a grade of B (3.00) or better to pass and fulfill degree requirements.

**Voluntary Withdrawal from a Graduate Program:** If a student wishes to withdraw from a graduate program, the student should complete the Voluntary Withdrawal form. Information on other types of Withdrawal (i.e. medical withdrawal, compassionate leave), can be found at: https://students.asu.edu/drop-add.

**Academic Term:** The academic term is determined by your program.
