The Carey Code

I am a W. P. Carey Sun Devil:

- I contribute to our legacy and live our values of excellence, integrity, impact, and community
- I demonstrate that business is personal by treating others with respect and kindness
- I advocate for diversity, equity, and inclusion to create stronger organizations and societies

INCLUSIVE EXCELLENCE AT W. P. CAREY

At W. P. Carey, we say that “business is personal.” Each student, each faculty member, each employee matters, intrinsically, as a human being. Yet we also must recognize times where we as a community have fallen short of that ideal, and how historical prejudice and systemic racism have pushed members of our school to the margins.

We are committed to doing better, and unequivocally state our support of Black lives, Native communities, immigrants, members of the LGBTQIA+ community, people with disabilities, and others who live at the intersections. You are welcome at W. P. Carey, and this is what you can expect from us.

Commitments to diversity, equity and inclusion

- We embrace open access to education and opportunity for all students as being central to our mission.
- We believe that diversity is a necessary part of excellence, and reject any false opposition of diversity and merit.
- We support robust and respectful discussion of the most pressing issues in society from the wide variety of perspectives in our community.
- We respect, listen to, and center the voices of marginalized groups, and recognize that the impacts of our actions matter more than the intention.
- We are unequivocal in our support of underrepresented and historically marginalized groups, and will not tolerate discrimination or hate.

Inclusive Excellence initiatives

The initiatives below are a partial list of the many inclusive activities being pursued and considered at W. P. Carey.

Inclusive Excellence Committee - formed in response to ongoing police violence against Black Americans, the Inclusive Excellence committee is now a permanent part of W. P. Carey; the group directs all Inclusive Excellence initiatives at W. P. Carey and serves as an advisory board to school leadership.

College Data Committee - this group is charged with compiling and distributing relevant Inclusive Excellence data for W. P. Carey; this includes diversity metrics, surveys, and benchmarking.

Inclusive Teaching & Learning Committee - a combination of faculty, staff, and student committee members working to integrate Inclusive Excellence principles into W. P. Carey curriculum and classrooms.

EI training for faculty and staff- SafeZONE and Microaggression training for staff to understand bias and create a more inclusive, allied, and safe environment; “To be Welcoming” training, in partnership with ASU and Starbucks, suggested for all staff; also exploring future mandatory training options for employees and students.

Diversifying purchasing - In concert with ASU purchasing and community groups, we are taking an intentional look at diversifying W. P. Carey purchases, including food, supplies, and services.

Inclusive onboarding - Human Resources is creating a booklet for new employees that includes employee resource groups and culturally relevant services, such as Black salons, doctors, and more.

Diversifying recruiting - Human Resources and student recruiting functions are in the early stages of identifying more inclusive recruitment practices, including expanded recruitment from HBCUs, continued involvement in the PhD Project, and more.

Expanded access to mentors - using the existing W. P. Carey mentorship program as a starting point, expand the number of qualified minority mentors for the undergraduate, graduate, and Executive Connections program.

W. P. Carey is also actively involved with the larger ASU community's commitment to support Black students, faculty, and staff. [Read more](#) about university-led efforts.

W. P. CAREY SCHOOL OF BUSINESS GRADUATE STUDENT CONDUCT AND PROFESSIONALISM POLICY:

We, the students of the W. P. Carey Master's programs are committed to maintaining the highest levels of honesty, integrity, and professional courtesy for ourselves and amongst our classmates. We believe that ethical behavior is not only the cornerstone of a good academic program, but of good business as well. As such, we are steadfast in our commitment to the following principles:

- **Academic Integrity** — We view the W. P. Carey Academic Integrity Policy as a living, breathing document, not just concepts on a page. As such, we are resolute in ensuring that we abide by the principles contained within, both in letter and in spirit. Furthermore, we will hold our classmates to the same high standards to which we hold ourselves.
- **Consideration of Others** — As W. P. Carey students, we believe that we should treat others as we wish to be treated. To this end, we will be considerate of classmates, professors, and recruiters in all aspects. Furthermore, we will constructively add to the collaborative environment by helping and encouraging others.
- **Professionalism** — As W. P. Carey students, we believe that the behaviors we practice today will become a habit in the future. To this end, we are committed to act in a professional manner in all school settings, including classes, networking events, and interviews. We will be cognizant of the fact that we are representing the program and our classmates at all times.

Professionalism Policy

Professionalism, broadly speaking, includes ethical decision-making, consideration of others, and demonstration of personal accountability. Exhibiting professional behavior is integral to a positive learning environment within the university and promotes innovation, openness to diversity, integrity, and mutual respect for students, faculty, and staff.

Faculty, employers, recruiters, and future professional peers may form positive or negative perceptions based on what they see or hear. W. P. Carey students should conduct themselves as professionals with integrity in the classroom, in the workplace, and in associated activities.

Examples of behaviors that do not meet this standard:

- Use of devices that are distracting, and/or impede safe movement of others through classroom and non-classroom spaces (use of cords, wall plugs, etc.).
- Inappropriate use of university equipment for personal use or gain.

Every interaction with fellow students, faculty, staff, alumni and recruiters develops your personal reputation and brand. We expect students to follow our Student Code of Conduct and our Graduate Professionalism Policy whenever they are representing themselves as a student of the W. P. Carey School of Business both inside and outside of the classroom.

Students accused of violating the Graduate Professionalism Policy will attend a meeting with the Associate Dean of Graduate Programs, or designee, to discuss the allegations. After this meeting, the student will be informed of whether or not they have violated the policy and if so, what sanctions will be applied.

- The School may impose sanctions at any point in this process. Sanctions may include being placed on academic probation, mandatory follow-up meetings, prohibited participation in the following: W. P. Carey Graduate Programs Clubs & Organizations, serving in a student leadership role, participation in Convocation and/or graduation events or other extracurricular opportunities, or a recommendation for dismissal from the program.

In all instances of misconduct, including egregious behavior, these may be reported to the [Dean of Students Office](#), [Student Rights & Responsibilities](#), [Office of University Rights & Responsibilities](#) or [Academic Integrity Officer](#) to be investigated consistent with the relevant policies and procedures.

This policy is meant to augment the Arizona State University Student Code of Conduct. All students are expected to be familiar with both the Student Code of Conduct and Professionalism Policy and violations of either or both may be investigated within W. P. Carey School of Business and other offices as detailed above.

2024-2025 Specialized Master's Programs Academic Policies

PROGRAMS: Master of Science in Artificial Intelligence in Business, Master of Science in Entrepreneurship & Innovation, Master of Real Estate Development, Master of Finance, Master of Science in Global Logistics, Master of Science in Information Systems Management, Master of Science in Business Analytics, Master of Accountancy and Data Analytics, Master of Taxation and Data Analytics, Master of Science in Supply Chain Management

The academic records of graduate students are reviewed at the completion of each course to ensure that satisfactory progress and minimum standards are being met. Students must complete required courses in the order specified for their W. P. Carey Specialized Master's Program. It is each student's responsibility to understand how this policy may impact his/her/they ability to complete their Specialized Master's degree. W. P. Carey School of Business Graduate Programs reserves the right to enforce the academic policies outlined below.

Specialized masters programs vary in length. Some application of time frames detailed in these policies may not apply based on program length. Please speak with your coordinator regarding any questions.

DEGREE REQUIREMENTS SUMMARY: To be eligible for a degree from the Graduate College, master's degree students must maintain Satisfactory Academic Progress and achieve the benchmarks and requirements set by the individual degree programs as well as the Graduate College. These, as well as all other Graduate College policies, can be found in the [ASU Graduate Policies and Procedures](#).

Satisfactory Academic Progress

1. Maintain a minimum 3.0 for all GPAs.
 - The **iPOS GPA** is calculated on all courses that appear on the student's approved iPOS (with the exception of LAW and Transfer credits). This includes courses taken as an undergraduate student that are added to an iPOS for an Accelerated Master's.
 - **Cumulative ASU GPA** represents all courses completed at ASU during the graduate career. This includes graduate and undergraduate courses taken as a degree-seeking student or non-degree seeking graduate student, and any courses taken at ASU after conferral of a bachelor's degree
 - The **Overall Graduate GPA** is based on all courses numbered 500 or higher that appear on the transcript after admission to a graduate program or graduate non-degree. This includes shared coursework if in an approved accelerated bachelor's/master's program.
 - Courses with grades of "D" (1.00) and "E" (0.00) cannot appear on the iPOS but will be included when calculating the Graduate GPA. Courses with an "I" grade cannot appear on the iPOS.
2. Satisfy all requirements of the graduate degree program.
3. Satisfy the maximum time limit for graduation from the student's graduate degree program. A student has six years for masters; for doctoral, five years or ten years from comprehensive exams (whichever comes first).
4. Successfully pass comprehensive exams, qualifying exams, foreign language exams, and the oral defense of the proposal/prospectus for the thesis or dissertation.

5. Successfully complete the culminating experience with a grade of B (3.00) or higher..
6. Graduate students must remain continuously enrolled in their degree program. Failing to do so without a Graduate College approved *Leave of Absence* is considered to be a lack of academic progress and could result in discontinuation from the program.

A student who fails to make satisfactory progress in pursuit of the W. P. Carey Specialized Master's Program degree will be provided notice from the W. P. Carey Graduate Programs Office, Program Operations department as soon as the applicable grade(s) have been identified.

COURSE COMPLETION REQUIREMENT: A student must complete all W. P. Carey Specialized Master's Program courses as scheduled.

- a) A student who withdraws from a W. P. Carey Specialized Master's Program course will receive a "W" and will not be permitted to continue coursework as scheduled. A student who wishes to withdraw from a W. P. Carey Specialized Master's Program course should contact his/her/they Program Operations Coordinator to discuss options, policies, and processes.
- b) Upon receipt of an [incomplete \(grade of an "I"\)](#) in any course, a student must submit to his/her/they Program Operations Coordinator a [written plan](#), mutually agreed upon with the instructor and approved by the faculty director of the program. The coursework must be completed prior to the start of the next term.
- c) Due to the lockstep nature of the specialized masters programs, failure to complete the course as outlined in the agreement, may result in a recommendation for discontinuation or dismissal.

PROBATION: A W. P. Carey Specialized Master's Program student shall be placed on probation when he/she:

- a) receives a "C+" (2.33) or "C" (2.00) in any W. P. Carey Specialized Master's Program course (courses and GPAs) and/or
- b) achieves a Cumulative ASU GPA or ASU Graduate GPA or Plan of Study (POS) grade point average (GPA) below 3.00, and/or
- c) has significant or repeated violation of the [W. P. Carey School of Business Graduate Conduct and Professionalism Policy](#), [ASU Academic Integrity](#), or [Student Code of Conduct](#).

A student on probation must work with his/her/they Program Operations Coordinator to develop an academic performance improvement plan that includes the conditions and timeframes for making satisfactory academic progress in his/her/they degree program. A student on probation is allowed to complete coursework to bring his/her/they grades to an acceptable level (3.0 or above) by the end of the following academic term. Failure to do so will result in recommendation for dismissal from the W. P. Carey Specialized Master's Program.

DISCONTINUATION: A student shall be discontinued from the W. P. Carey Specialized Master's Program when he/she receives:

- a "D" (1.00) or "E" (0.00) in any course applicable to program degree requirements (courses and GPAs) while not on probation, or
- a grade below "B" (3.00) on the thesis equivalency course, or
- an "I" grade and fails to complete coursework as outlined in the agreement
- receives three "C+"s (2.33) or "C"s (2.00) in any core courses applicable to MBA degree

requirements (courses and GPAs) within the same term and is not on academic probation.

A student who is discontinued must either enroll in MGT 595 Continuing Registration or have an approved leave of absence. A student must then restart his/her program as agreed and will be placed on probation upon return.

Students that fail to maintain continuous enrollment must be readmitted to the program under the degree requirements and policies in effect at the time of the new admission date.

DISMISSAL: A student shall be recommended for dismissal from the W. P. Carey Specialized Master's Program and will not be permitted to continue course work when the student:

- a) is on academic probation and receives a third "C+" (2.33) or "C" (2.00) in any W. P. Carey Specialized Master's Program course, and/or
- b) is on academic probation and receives a "D" (1.00) or "E" (0.00) in any W. P. Carey Specialized Master's Program, and/or
- c) is on academic probation and receives a grade below "B" (3.00) in the thesis equivalency course
- d) returns from discontinuation and receives a grade below "B-" (2.67) in any W. P. Carey Specialized Master's Program course, and/or
- e) receives a ASU Cumulative GPA of less than 3.00 upon completion of coursework in the academic term after being placed on academic probation, and/or
- f) has significant or repeated violation of the [W. P. Carey School of Business Graduate Conduct and Professionalism Policy](#), [ASU Academic Integrity](#), or [Student Code of Conduct](#).

GRADE APPEAL POLICY: Student academic grade grievance procedures in the W. P. Carey School of Business normally consider matters where the relief sought is a change of a final grade. Formal grievance petitions must be submitted no later than ten business days after the start of the next academic term; the process and decision on the grade grievance will be completed by the end of that term. Unless dismissed, a student may continue coursework during the appeal process.

Grounds for a grade appeal:

- Error in calculating the final grade for the course (e.g. arithmetic error)
- The criteria for determining the final grade were changed from what was specified in the syllabus (e.g. 4 quizzes were given instead of 5 or weights of assignments were changed)
- The evaluation system was not consistently and fairly applied to all students (e.g. Student A and Student B reported the same answer but had different scores for the assessment item)

Grade appeal process (informal and formal):

Informal process

- If the student has determined their grade appeal meets one of the three reasons to progress, the first step is to meet with the course instructor to resolve the

complaint.

The discussion should focus on the assignment(s) in question and how the change

from the request would result in a grade change.

- If a resolution cannot be reached with the instructor, student discusses grievance with their program's Faculty Director. Faculty Director notifies Department Chair of escalated grade appeal and if applicable, collaborates with Department Chair on resolution.

Formal process

- After meetings are held with both the course instructor and Faculty Director/chair and is not resolved, the student would submit a report to the [grade appeal site](#), detailing the reasons for the appeal. The student would then meet with The Office of Academic Excellence to hear the dispute. Use the link below, to schedule a meeting with the Office of Academic Excellence: https://calendly.com/academic_excellence
- If it is determined the dispute cannot be resolved to satisfaction, a formal committee can be called to hear the complaint. Student grade appeals must be processed, by commencement, in the regular semester immediately following the issuance of the grade in dispute (fall or spring commencements only), regardless of whether the student is enrolled at the university.
- In instances of a conflict of interest, for example if the teaching faculty and Faculty Director are the same person, if a resolution cannot be reached, the student should continue to escalate the grievance procedure to the next level.

ACADEMIC INTEGRITY REQUIREMENT: A student who engages in academic misconduct while attending a W. P. Carey graduate program will receive strict penalties as outlined in [ASU's academic integrity policy](#). Those penalties ordinarily will range from a letter reduction in final course grade to expulsion from the program and School of Business. The penalty will be decided by the course faculty member and the Academic Integrity Officer. All allegations of academic misconduct must be reported to program administrators. Any subsequent act of academic misconduct, regardless of severity, will result in dismissal from the program and the School of Business.

The [ASU student academic integrity policy](#) lists violations in detail. These violations fall into five broad areas that include but are not limited to:

1. Cheating on an academic evaluation or assignment
2. Plagiarizing
3. Academic deceit, such as fabricating data or information
4. Aiding academic integrity policy violations and inappropriately collaborating
5. Falsifying academic records

TUITION REFUND POLICIES:

- [ASU Tuition Refund Policy](#)

Continuous Enrollment: Once admitted to a graduate degree program or graduate certificate program, students must maintain continuous enrollment and be registered for a minimum of one credit hour during all phases of their graduate education, including the terms in which they are admitted and graduate. Failing to do so without a Graduate College approved Leave of Absence is considered to be a lack of academic progress.

Leave of Absence: Graduate students planning to discontinue registration for a semester or more must submit a Leave of Absence request via their Interactive Plan of Study (iPOS). This request must be submitted and approved before the anticipated semester of non-registration. Students may request a maximum of two semesters of leave during their entire program. A student with a Graduate College approved Leave of Absence is not required to pay tuition and/or fees, but in turn, is not permitted to place any demands on university faculty or use any university resources. These resources include university libraries, laboratories, recreation facilities or faculty time. Having an approved Leave of Absence by the Graduate College will enable students to re-enter their program without re-applying to the university.
