2018 Course Schedule

Managing Business, Government, and Public Policy

Open Enrollment MBA & Graduate Residency Courses in Washington, D.C.

“Fantastic. Very informative. Relevant topics, knowledgeable speakers, valuable insights.”

“This is not an experience you can get anywhere else. Best learning in my entire program.”

“Opened my eyes – applying this knowledge to my job will be incredibly valuable.”

“This course should be required for all MBAs.”

The Washington Campus’ intensive, experiential residency courses bring participants face-to-face with policy makers and executives who teach how government works and how public policy is made; how specific organizations and industries are affected; and how public affairs and public policy can be effectively and ethically managed to create profitable and sustainable ‘win-win’ solutions for business, government, and society.
